Re: DHEC Audit

Dear Mr. Simpson:

I write to respectfully request that the South Carolina Legislative Audit Council (SCLAC) initiate and conduct an audit to determine if Department of Health and Environmental Control (DHEC) properly regulates abortion clinics as required by SC Code Section 44-41 and DHEC Regulation Chapter 61-12.

I further request that SCLAC specifically comment on the process whereby DHEC enforces Sections 302, 308, 309, 403, and 501 of DHEC Regulation Chapter 61-12.

Also, please let me know the estimated date that this audit will be completed.

I appreciate your assistance in this matter. Should you have any questions, please let me know.

Best regards,
